At its ... meeting, on ... August 1997, the Sub-Commission decided to request the sessional working group on the administration of justice to continue its consideration of the expanded working paper prepared by Mr. Stanislav Chernichenko on the recognition of gross and massive violations of human rights perpetrated on the orders of Governments or sanctioned by them as an international crime (E/CN.4/Sub.2/1997/29) and for that purpose to transmit the expanded working paper, through the Secretary-General, to the International Law Commission, so that the Commission's comments might be considered at the next session of the Working Group.
